The Pirate Club is making a concerted effort to enhance the Pirates Supporting Pirates Campaign. We want to create more value of a Pirate Club membership. This will benefit Pirate Club members as well as participating member businesses. The economic impact of home football games this fall alone, is projected to be over \$50 million. Home Basketball and Baseball games, plus 15 other sports programs will also contribute to the success of area businesses in the community as well. Look for the logo of participating members and patronize these businesses.
