

“Proud to be a Pirate”

The Pirate Club proudly presents its first offering of artist and Pirate Club member Frank Rehm's limited edition print entitled "Proud to be a Pirate". Each print is numbered and signed by the artist. Frank is retired from the US Air Force where he worked as a graphic illustrator. He and his wife Karen reside in Winterville, N.C. and are the proud parents of daughter, Megan. Frank has recently been commissioned by the state of North Carolina to do a pen and ink rendition of the NC Veteran's Memorial in Broadway, N.C. We hope that you consider adding this lovely limited edition to your "Pirate Room" in your home or office. **GO PIRATES!**
